

2009 “Member Get A Member Campaign”

All aging services providers are now confronted with extremely challenging economic times; increasing needs for services, increasing numbers of seniors and shrinking government and private resources. For over thirty-five (35) years, NYSCA has been your strong independent statewide voice speaking on behalf of community-based aging services.

As NYSCA continues to advocate for you, we need you to continue to be part of the coalition and support our advocacy efforts as well as help us increase the number of providers within the coalition. This year for the first time we will be hosting a “Member get a Member” campaign.

We are asking our current members to participate by talking to others within your local area about NYSCA and encourage them to join the coalition. In doing so, you will assist us in increasing the coalition’s statewide voice. In turn, for bring us a minimum of two new organizational members we will provide you or your organization with a free registration to either our Legislative Form on March 3, 2009 or one of our 2009 regional trainings.

If you are interested in obtaining membership brochures to distribute to your colleagues, please complete the form below and fax it to us at (518) 465-0641. We will send you a supply of brochure.

THANK YOU FOR YOUR SUPPORT OF THE NEW CAMPAIGN!
